www.GWAbiz.com/gwa-drupal/node/45

Solutions Interactive is where the Sage 300 and Sage CRM user community comes to learn, laugh, share and connect! With an emphasis on collaboration and innovation, this year's annual Training & User Conference will arm you with winning strategies needed to help drive and achieve success within your organization.

Sessions

With over thirty sessions to choose from we're confident you will find just the right topics you need.

Appreciation

Our Customer Appreciation Wine & Cheese is where we honour our customer by pulling out all the stops with prizes and awards. It's not to be missed!

Exhibitors

Throughout the conference you will have the chance to visit the exhibitor area to meet the sponsors who can help extend your capabilities through the services and technology.

Registration Includes

All general and breakout sessions
Wine & cheese event
Post-conference training
Breakfast & Lunch
Technical table
